3\textsuperscript{rd} Southgate Oration

Action on the Social Determinants of Health

Tuesday 19 July 2011, 5:00–6:15pm
Room 1.01, Health Sciences Lecture Theatre Complex
Flinders University, Bedford Park

Professor Sir Michael Marmot
MBBS, MPH, PhD, FRCP, FFPHM, FMedSci, FBA
Director, UCL Institute for Health Equity (Marmot Institute)
Chair, European Review on the Social Determinants of Health and the Health Divide
Director: International Institute for Society and Health;
MRC Research Professor of Epidemiology and Public Health, University College London
President of the British Medical Association (BMA) 2010-2011

Michael Marmot has led a research group on health inequalities for the past 35 years. In 2000 he was knighted by Her Majesty The Queen, for services to Epidemiology and the understanding of health inequalities. Internationally acclaimed, Professor Marmot was Chair of the Commission on Social Determinants of Health set up by the World Health Organization in 2005 which produced the landmark report entitled: ‘Closing the Gap in a Generation’. At the request of the British Government, he conducted a review of health inequalities in England, which published its report ‘Fair Society, Healthy Lives’ in February 2010. He has recently been engaged by the Regional Director of WHO Euro to conduct the ‘European Review of Social Determinants of Health and the Health Divide’.

Chair: Professor Michael N Barber FAA
Vice-Chancellor, Flinders University
