Focus Group

We need you to make our Student Exchange Website better!

Flinders University International Office needs current Flinders University students to assist us with the re-design of our student exchange website. We want your thoughts on how we can improve our website to disseminate student exchange information to students including the use of social media and blogs.

Participants will provide their feedback and insights by taking part in a ‘focus group’ on Thursday 11 October from 3-4pm where they will take part in an online usability test and open discussion.

The first 10 current Flinders University students will be accepted. Please RSVP your attendance to Sally Jones (sally.jones@flinders.edu.au) by Monday 9 October and further information about the focus group will be provided to you.

Students who participate will not be reimbursed but will be provided with complimentary afternoon tea as a thank you for their time and input.
