Student Forum
Sustainability at Flinders

MACO Function Centre Conference Room
10am - 12pm, Wednesday October 24th

This forum is designed to give interested students an opportunity to provide their input into the Flinders Sustainability Strategy.

We will also explore ways in which sustainability focussed student groups can best be supported by the University.

Some of the issues to be discussed could include:

- Sustainable transport at Flinders
- Renewable energy
- Food, waste and consumption
- Fair Trade and justice issues
- Sustainability in the curriculum
